## LGBT + Community Center

The LGBT + Community Center wants to be a haven where you always feel good and safe and where you can be unapologetically yourself. Therefore, we do not tolerate any offensive and discriminatory behavior that creates a feeling of danger, discomfort or otherwise crosses personal boundaries. We all create a pleasant atmosphere together, so please do the following:

**Respect** others, their sexual orientation and gender identity and its expression.

**Don't insult** others for their appearance, body constitution and the like.

**Avoid** transphobia, biphobia, homophobia, sexism, misogyny, xenophobia, racism,...

**"No" means "no". Respect it.** If someone lets you know that your behavior or words are not pleasant, take it seriously. This applies especially to unsolicited touches, allusions, or offers. **We do not tolerate sexual harassment.**

**Take pictures or record videos only with explicit consent.** The same goes for posting and sharing photos and videos. Don't be afraid to ask and don't be afraid to refuse.

**Smoking and drug use are prohibited in the CC.**

**Persons under the age of 15** may enter the CC only if accompanied by a person over the age of 18.

**Sex, health and other personal topics are not taboo**, but bear in mind that people of different ages and walks of life meet in the CC and not everyone wants to talk about them. At the same time, don't be surprised if you come across these topics at the CC. They are important and there is no need to be afraid of them.

**Should you have a problem with another visitor**, please notify someone from the CC team. We will resolve the situation immediately. And don't forget - we create the atmosphere in the CC together, so let's be nice to each other.
